The Preston Johnson Annual High School Speech Contest Rotary District 6920

The Preston Johnson High School Speech Contest has a long history for the Dublin Rotary Club. It was started in 1997, originated by our past Dublin Club president, and past District Governor, Preston Johnson. The contest is an annual event throughout District 6920, drawing students throughout the regions to participate. The contest begins at the Club level and grows to the zone and district levels.

The Toastmasters guidelines for public speaking are the heart of the judging requirements for the contest. Their goal is to continually develop public speaking skills of current and future leaders through multiple presentations and the giving/receiving of immediate feedback. The philosophy is that both the speaker and the evaluator will continue to grow and develop in their skills.

The Preston Johnson Rotary District 6920 Annual High School Speech Contest is a special project engaging Rotarians, educators, and students in a meaningful and rewarding opportunity for personal development of our nation's future leaders. Originally named the 4-

Way Test Speech Contest, the contest evolved over the years to focus on the current International President's Annual Theme or the 4-Way Test. No matter which theme is used the basic premise remains: the speech contest requires students to research and learn about Rotary in preparing a short speech; in doing so, the students as well as all audience members receive an invaluable review of the great service which is Rotary.
