## Program

### Dr. Arthur Wayne Johnson *Student Loans - College Education*

Dr. Arthur Wayne Johnson is a public servant, accomplished businessman, veteran, student loan expert, and life-long Georgia native. From 2017 to 2019, Wayne was a senior official in President Trump's Administration serving as the Chief Strategy and Transformation Officer and Chief Operating Officer for the Department of Education's Office of Federal Student Aid. Overseeing the largest provider of student financial aid in the country, Wayne successfully led thousands of employees whose mission was to make college education accessible and affordable for millions of Americans.

Prior to entering public service, Wayne amassed over 30 years of experience as an entrepreneur, senior executive, and CEO of multiple businesses, both domestic and international, in the consumer finance and customer service support industries. Wayne's professional career has given him first-hand knowledge of how to make higher education more cost-effective so that students and their families receive an education that improves their long-term employment prospects without taking on crushing levels of debt. He knows how to run efficient and effective organizations and wants to bring this solutions-oriented approach to the Senate.

Wayne is a U.S. Army veteran, an Eagle Scout, and a product of Georgia's education system. He holds a PhD in Higher Education Leadership from Mercer University, a Masters of Business Administration from Emory University, and Bachelor of Arts from Mercer University.
