PROGRAM

RACHEL SELPH FISHLER

Rachel Selph Fishler recently graduated from Mercer University with a Bachelor's in Public Health, and is now working on her Master's in Healthcare Administration. She is employed by Dodge County Hospital as the GA HEART Representative. Rachel is excited to increase awareness about this amazing tax credit program. She enjoys sharing information about this, and is very passionate about what an impact the GA HEART Program has on our hospital and other rural hospitals, as well.

GEORGIA HEART PROGRAM

This program is a tax credit program that allows each individual that pays Georgia income taxes to reallocate that money to a rural hospital qualified in the program. By doing so, you will receive a 100% state income tax credit for contributing to a rural hospital. Individual filers, married filing jointly, and business owners are all able to participate in the GA HEART Hospital Program.
