Richard Woods
Georgia's School
Superintendent

Richard Woods was born in Pensacola, Florida and while growing up in a military family, lived in California, Hawaii and Virginia before moving to Georgia. He graduated from Fitzgerald High School, and

went on to receive a Bachelor's Degree from Kennesaw State University and a Master's Degree from Valdosta State University.

Woods has over 22 years of pre-k through 12th grade experience in public education. Woods was a high school teacher for 14 years, serving as department chair and teacher mentor. During his tenure, he was also selected as Teacher of the Year. For eight years Woods served in various administrative roles such as assistant principal, principal, curriculum director, testing coordinator, pre-k director, and alternative school director.

Woods also brings a business background to the superintendent's position, having been a purchasing agent for a national/multi-national laser company and a former small business owner. November is Rotary Foundation month!

It's a good time to reflect on the great Rotary Foundation sponsored programs we support and on how each of us can contribute to make sure these programs continue.

As Rotarians, we make contributions to The Rotary Foundation to fund Rotary programs. While our Foundation is quite healthy (one of the largest Foundations in the world), there is so much more we need to do. Your personal annual contribution to the Foundation fuels Rotary programs. **A contribution to the Foundation is the best investments you can make with nearly 100% going to Rotary programs that save and change lives.**

Learn more about The Rotary Foundation by visiting rotary.org and make contributions through MY ROTARY ... it's a simple online process and you can track your giving from the beginning of your membership up to the present. These programs work and are a great investment for a better and safer world.
